

Nigel Jeffries Landscapes Limited is an established landscaping company working for clients in the south of England.

THE COMPANY

After studying at Writtle Agricultural College, Nigel Jeffries worked on landscape projects in the UK, Canada and Australia. He set up his own company in 1983 with the aim of providing a quality, skills-based landscaping service.

The company, which is 25 years old this year, is a member of BALI (the British Association of Landscape Industries) and of Marshalls Register. It has full **ISO 9001:2000** certification.

We place considerable emphasis on training. Most of our workforce have NVQs or similar qualifications and are certified members of ROLO (Registration of Land-based Operatives) - a BALI scheme which recognises job competence and Health & Safety awareness.

Nigel Jeffries

Care of Sports Pitches

SERVICES

Design	In addition to our own design resources, we also have close links with several leading Landscape Designers.
Hard Landscaping	We construct and erect fencing, paths, driveways, paving, patios, walls, buildings, water features, etc.
Soft Landscaping	Only quality plants, shrubs, trees and turf from specialist suppliers are used. Our staff have extensive experience in plant care and environmental issues.
Maintenance	Contract Maintenance programmes are tailored to meet clients' needs. We can also help with one-off projects such as ground clearance or tree surgery.

Garden Landscaping

We have a comprehensive range of modern equipment suitable for the tasks shown above.

Cutting grass verges

CLIENTS

Much of our work is undertaken for local communities through their **Local Authorities and Parish Councils**. We also carry out numerous landscaping projects for **Domestic Clients** and for **Commercial Organisations** (businesses, housing associations, education authorities, schools).

CLIENTS	LANDSCAPING WORK DONE
Local Authorities	Nigel Jeffries Landscapes works for Hampshire, Surrey and Buckinghamshire County Councils; Guildford, Surrey Heath and Wandsworth Borough Councils and Parish Councils throughout southern England. Typical work includes: <i>maintenance of recreational/play areas; verge-side grass cutting; hedging; planting and upkeep of decorative borders; maintenance of sports pitches and all-weather surfaces; upkeep of country parks; preservation of wildlife habitats; heather management; pond cleaning and maintenance; footpath upkeep; environmental projects; care of wildflower meadows.</i>
Commercial Organisations	We undertake the landscaping of areas around corporate headquarters, office buildings and factories. We offer a range of services (from construction to regular maintenance) aimed at optimising site appearance at a realistic cost. We also provide and maintain indoor plants for offices and reception areas <i>We provide similar services for apartment blocks, schools, health authorities and residential homes.</i> In addition, we can offer salt-gritting and snow clearance for commercial sites and new permeable paving to reduce flooding in vulnerable areas
Domestic Clients	Pleasant gardens enhance the appeal and value of residential properties. We undertake all types of landscaping work, on a large or small scale. Examples include: <i>garden makeovers, paths and beds, shrubberies, lawns, ponds, rockeries, water features, decking, fencing, walls, garden buildings and structures, driveways, block paving, gates, patios, steps.</i> We give friendly advice to clients seeking to improve their gardens but unsure how to proceed.

CLIENTS' COMMENTS

The following comments come from letters we have received:

- “... *we are delighted with the result*”,
“... *very pleased with the transformation your staff have achieved*”,
“... *grateful you made the whole exercise such a pleasant one*”,
“... *an excellent job*”,
“... *you are fortunate to have such reliable workers.*”

Preserving the habitat of the rare Silver Studded Blue butterfly
